

OVERVIEW

OnTrac, formerly California Overnight is the premiere choice for regional, time-sensitive delivery within California, Arizona, Nevada, Oregon, Washington and Utah. OnTrac offers highly competitive solutions tailored to fit your business needs. By focusing their efforts on providing great regional service, they operate more efficiently than national and international carriers. And pass the savings on to you - you could be saving up to 40%!

OnTrac services offer:

- Delivery to CA, AZ, NV, OR, WA and UT
- No residential delivery fee
- No signature required fee
- No remote or zone surcharges
- Lower fuel surcharge
- No contracts
- Money-back service guarantee

OnTrac is a fully integrated carrier module within Kewill Flagship and Kewill Clippership with complete manifest functionality, no paper way bills, standard 4x6 labels using the same printer as any other carrier. Kewill supports OnTrac's full tracking capabilities including pick-up, in-transit scanning through to delivery with proof of delivery options.

SUPPORTED SERVICES

- **Sunrise** - provides next business day delivery by 10.30 am, Saturday delivery by 2 pm
- **Sunrise Gold** - provides next business day delivery by 8 am, Saturday delivery by noon
- **Heavyweight** - provides next business day delivery by 5pm, minimum 300 palletized lbs
